

General Assembly 1st Committee: Disarmament and International Security

Co-Sponsors: People's Republic of Bangladesh, Plurinational State of Bolivia, Canada, Republic of Chile, People's Republic of China, Japan, United Kingdom of Great Britain and Northern Ireland

Topic: "Crisis Resolution: Imminent ISIS missile strike targeting the United Nations"

Deeply concerned by Isis's threat to bomb the United Nations, having received information that this threat is real, taking note of the actions they have done in the past, this resolution

1. Calls upon a stealth group to infiltrate bases to disarm the nuke;
2. Expresses interest in sending in US troops;
3. Encourages use of satellite imagery to locate the launch site;
4. Strongly affirms evacuation of New York City to Canada;
5. Taking note to the possibility of a launch, send small missiles to detonate the nuclear warhead over the ocean
