

SDG DESIGNS

ONSITE AND ONLINE

ACTIVITY

Create an original design for the MMUN Conference

GOAL

Student contestants are asked to create a design for the conference that illustrates Maria Montessori's vision of having children collaborate to find solutions to the world's most pressing problems, the Sustainable Development Goals

Please note that for the 2024 Conferences, the Goals selected for the SDG Design are:

NYC February Conference 2024

NYC March Conference 2024

Rome Conference 2024

Online Conference 2024

TIME

Due four–six weeks before the conference.

MATERIALS

US letter or A4 paper. Design must be hand drawn by using paints or colored pencils. Students are requested to hand draw their design. Computer assisted designs will not be considered since the goal is for students to create their own unique representations.

WINNING DESIGN

One design per conference is chosen. The winning design concept (1 per conference) will be developed by a professional designer to create the final image for the conference design (in a digital vector file).

The selection of the design contest winner is based upon a combination of factors, including: the concept expressed, the creativity, and the ability to develop the design concepts. The winning selection must be consistent and supportive of creating solutions to the world's most pressing problems, the Sustainable Development Goals.

The design contest is not a judgment on the technical design abilities of the submission.
