

BECOME A BUREAU MEMBER!

Dear Delegate,

Have you enjoyed your time as a delegate? Would you like the opportunity to continue to work with people at MMUN in a different capacity? Have you considered becoming a bureau member? The bureau are the volunteers who guide the delegates through committee sessions. They are the people that make the magic of MMUN happen.

We are always looking for new bureau members, especially former delegates, as we count on their years of experience as delegates to enrich the entire program.

Did you know that MMUN offers benefits to bureau members, like accommodation? In addition, if you need to fulfill community service hours, serving on the MMUN bureau meets that requirement.

The bureau leadership training is offered in person and online.

Please note, all bureau members who are under the age of 18 will need a chaperone to take responsibility for them and stay at the same hotel (in a room they book and pay for at a reduced rate) in order for you to participate as a bureau member. This person can be a parent or a former teacher/ adult at your former school who introduced you to MMUN.

With any questions please write info@montessori-mun.org.
