USA VISA APPLICATION

Find out whether you will need an entry *VISA for the USA*

All eligible international travelers who wish to travel to the United States under the Visa Waiver Program must apply for authorization. If you are in need of an entry visa, Youth for a Better World will issue an official Letter of Invitation which should be submitted with your visa application (online or in person). The letter confirms payment of registration fees and extends an official invitation to the paid registrant to attend and participate in the upcoming MMUN Onsite Conference/YIF Onsite Summit.

To qualify for a Letter of Invitation, you must meet both of the following requirements:
- Be registered for the conference as a delegate, parent, chaperone, or visitor; and
- Have paid the conference registration fee in full.

Youth for a Better World will not, under any circumstances, issue a Letter of Invitation or provide visa application documentation to anyone who does not meet both of these requirements.

If your request for a Letter of Invitation is approved, the letter will be sent to you by email as a PDF attachment. To request a Letter of Invitation from Youth for a Better World, please email info@montessori-mun.org and attach a spreadsheet containing the following information for each registered participant:

- Full name as it appears on the passport
- Passport number
