MMUN UNSC
POSITION PAPER CHECKLIST

Committee: .....

Country: .....

Components	Evidence of Comprehension
Heading	☐ Committee name ☐ Topic name ☐ Delegation ☐ Student delegate name(s) ☐ School name
History/Background	☐ Clearly describe the issue. ☐ Include relevant facts, statistics, dates and UN resolutions/documents. ☐ Identify the main actors and/or affected populations. ☐ **Explain and analyze the history of the issue and how the country developed its current position.**
Position/ Policy	☐ Clearly explain the country's current position and perspective. ☐ Include relevant facts, speeches and quotations from committee officials, government officials, international community including the UN. ☐ Represent the country's position accurately, without critiquing its government or actions. ☐ **Explain how the country's policies and position have developed over time and affect its approach to the issue.** ☐ **Explain its support for, opposition to or abstention on relevant past resolutions.** ☐ **Explain how the positions and actions of other countries may influence the country's position.** ☐ **Consider the positions of other Security Council members and how these may affect negotiations, possible solutions and opportunities for compromise.**
Proposed Global Solution	☐ Delegate's creative global solutions to improve or address the topic. ☐ Building on global solutions that are working or revising any failed strategies. ☐ A global solution must have an international perspective. If it only proposes a "national solution" to the problem, it must be corrected.
