

Draft Resolution Legal/1/1.3

Legal Committee

Co-sponsors: Venezuela, New Zealand, North Korea, Israel, Nigeria, Angola, Japan, USA, India, Togo, South Korea, France, Malaysia, Australia

Topic: "Eliminating International Terrorism"

Terrorism affects the world because millions of people lose their lives and people are taught that it is ok to be violent,

67+ states in the world have experienced more than one death due to terrorism,

Syria has 4 million refugees,

These delegations also think that terrorism should not be punished with retaliatory violence,

1. Desiring to educate younger generations about values and peaceful protests;
2. Emphasizing the start of a trust fund for certain countries;
3. Believing that the government should do more thorough background checks and should raise costs on arms;
4. Declaring to observe weapon sales worldwide, and suggesting that countries should share information;
5. Considering making an agreement with popular companies to give a part of their profits to use as donations for the resolution;
6. Having considered the little amount of jobs in Middle Eastern countries, delegations should train civilians to be monitors of Black Markets;
7. Hopes to increase job opportunity.
