

## **Draft Resolution GA/4/1.1**

### **General Assembly Fourth Committee**

**Co-sponsors:** Passed by consensus

**Topic:** “Comprehensive Review of the Whole Question of Peacekeeping Operations in all Their Aspects”

The General Assembly, alarmed by the number of conflicts in the world,

Noting with concern the small number of women in United Nations Peacekeeping missions,

Having devoted attention to the number of crimes committed by United Nations Peacekeepers,

Deeply disturbed by the amount of people harmed during Peacekeeping operations,

Aware of the lack of communication between UN Peacekeepers and citizens regarding the operation,

1. Requests medical Peacekeepers to help other Peacekeepers and civilians who are injured;
2. Recommends fundraisers to help fund Peacekeeping missions;
3. Encourages all delegations to help fund Peacekeeping missions;
4. Emphasizes Peacekeepers to be educated about their conflict;
5. Further requests people to spread the word and educate everyone about Peacekeeping so they can help make Peacekeeping missions more successful;
6. Further requests that Peacekeepers that commit a crime get punished or do community service in the country which they are in; and
7. Further requests for Peacekeepers to receive six months of education prior to training.
