Signatories: Indonesia, Somalia, Costa Rica, United Kingdom, Morocco, Ethiopia, Uganda, Venezuela, Italy

Topic: Strengthening International Cooperation against Atomic, Biological, and Chemical Terrorism

Deeply disturbed by the number of casualties from WMD's,

Believing there can be an end to terrorism,

Alarmed by the implications of war on developing nations,

1. *Urges* multi-national organizations to add additional members in hopes of greater international cooperation and communication;
2. *Recommends* prices for key components in the production of WMD's be raised, making their sale on the black market difficult;
3. *Calls* upon educating children regarding the issue of terrorism;
4. Requests terrorist groups and countries to make peaceful treaties to end the long and violent confrontations;
5. *Encourages* countries to strengthen international alliances with diplomatic actions, promoting anti-violence;
6. *Emphasizes* communication between the P-5 and other countries in terms of international security;
7. *Urges* developed countries to trade with underdeveloped countries to strengthen the bonds between them.

First Committee of the General Assembly

Sponsors: Jamaica, Brazil, China, Costa Rica, Croatia, Ethiopia, Somalia, Cuba Vietnam, Russian Federation, Turkey, United Kingdom, and Jordan.

Signatories: Poland, Canada, Australia, Uganda, Indonesia, France, Burkina Faso, and United States.

Topic: Reduction of Military Budgets

Alarmed by rising military budgets,

Fully believing that it can be reversed,

Noting with deep concern the social and economic stability of developing countries,

1. *Strongly recommends* an organization be formed based on the idea of dollar to dollar;
2. *Encourages* wealthier countries to pay more on social and economic issues;
3. *Urges* P5 members and other economically stable countries lead by example;
4. *Calls upon* the UN to provide support during natural disasters and terrorism occurrences;
5. *Expresses* its hope for continued reduction of military budgets in the future.
