

STUDENTS CAN CHOOSE THEIR FAVORITE WAYS TO PARTICIPATE IN THE ONLINE CONFERENCE SOCIAL AND CULTURAL EVENTS!

Delegates may choose from a series of ramped-up activities that will be showcased during the conference:

SONGWRITING ONLINE WORKSHOP

Work with a Performer and Emmy nominated artist, Alexander Star, to write and record original songs on SDG themes. Through this creative process, students learn to compose, record, and perform original music with other delegates.

SUBMIT YOUR QUESTIONS TO A REAL UN AMBASSADOR

MMUN will collect questions from delegates and a selection will be submitted to the Ambassadors for consideration in their speeches.

COMPLETE YOUR FELLOW STUDENT AMBASSADOR PROFILE

Delegates complete a profile, return it to MMUN where it is converted into a "Fellow Student Ambassadors Booklet." Once created, it is sent to each delegate. On Orientation Day, as delegates introduce themselves, their pages are spotlighted.

MMUN IN A MINUTE - VIDEO PROJECT

Record one minute of your MMUN preparation on video before attending an MMUN Conference. It is simple: have your teacher, family, or a fellow delegate record you and your friends working on your research or speech, and share the video with us. We will collect and merge the videos that we receive to create a final compilation that will be posted on a dedicated conference web page.

MMUN CULTURAL PRESENTATIONS FOR SCHOOL GROUPS OR INDIVIDUAL DELEGATES

Delegates create a video of a cultural aspect from their country - the possible activities include music, dance, cooking a traditional dish, a language demo, or local games/hobbies. These 2-minute cultural presentations will be submitted prior, and MMUN will stream all of them with a live host and include opportunities for individual "shout-outs" of the delegates/schools.

DESIGN CONTEST

Student contestants are asked to create an original design for the conference that illustrates Maria Montessori's vision of having children collaborate to find solutions to the world's most pressing problems, the Sustainable Development Goals (to learn more: <https://sustainabledevelopment.un.org>).

SPEED-MEET GAME WITH YOUR FELLOW DELEGATES

Delegates are randomly paired up in mini-sections to meet, learn more about each other, and complete fun facts about new friends in their Fellow Student Ambassadors Booklets.

#MMUNALWAYSTOGETHER SOCIAL CHALLENGE CAMPAIGNS

Even if we cannot be in the same room, we are eager to share the inspiration and energy of each online conference. We ask the delegates to share photos, videos, artwork, collages, and poetry with their peers.

MORE DETAILS FOR EACH OPPORTUNITY WILL BE POSTED ON THE WEBSITE. STAY TUNED!
