Topic: "Financing Peacekeeping Missions in Africa"

The General Assembly, *noting* with regret the issues regarding war and disaster in Africa,

Fully aware of the importance of peacekeeping,

Contemplating the means for funding a new mission,

Having examined the budgets for each existing mission,

Fully believing in the reduction of police and military personnel

1. Requests for \$250 million to be taken from the total military budget of MONUSCO to fund the new mission;
2. Further recommends that leftover fund from the MONUSCO budget be used to fund African Union troops, medical personnel and supplies and peacekeeping education; and
3. Encourages local volunteers to participate in peacekeeping activities including education.
