

Committee: NGO Forum

Topic: Climate Change

Statement of Purpose: We are trying to better our environment by educating people on the environmental and economic benefits of sustainable living.

Vision: Blueprint's vision is to educate people on the benefits of sustainable, smart living to prevent further climate change.

Mission Statement: Blueprint's mission seeks to engage and educate our community to reduce the carbon footprint because of our concern regarding air and water pollution.

Actions:

1. Begin meeting with school authorities regarding the creation of our Blueprint Club.
2. Identify areas of community service
3. Locate members and leaders within community who have a similar vision
4. Identify professionals who have the ability to provide us with the resources we need to achieve our mission statement.
5. Develop fundraising programs such as a recycle program
6. Create presentations that will help educate our fellow students
7. Contact colleges
8. Contact local NGO's
9. Contact local fundraisers
10. Plan social events
11. Seminar to raise awareness
12. Clean various environments
13. Start a club during school hours
14. Acquire volunteers

15. By April 14, 2015 Project Blueprint will be a fully functioning school organization.
16. By May 15, 2015 Project Blueprint will have raised \$100.00
17. By July 14, 2015 Project Blueprint will have their first event
