Resolution GA/1/2.1

General Assembly First Committee

Co-sponsors: Benin, Democratic Republic of Timor-Leste, Dominican Republic, Federal Democratic Republic of Ethiopia, Federal Republic of Germany, Federative Republic of Brazil, Kingdom of Lesotho, Kingdom of Saudi Arabia, Kingdom of Sweden, People's Republic of China, Republic of Angola, Republic of Bulgaria, Republic of Chad, Republic of Chile, Republic of France, Republic of India, Republic of Korea, Republic of Senegal, Socialist Republic of Vietnam Topic: Nuclear Disarmament.

Affirming the fact that nuclear warheads are highly destructive arms,

Noting with deep concern that radiation has a negative effect on humans and nature,

- 1. Calls upon all countries to stop trading and producing nuclear weapons,
- 2. Recommends that in areas of nuclear controversy NWFZ (nuclear weapons free zones) are created,
- 3. Encourages member states to cut funding for plutonium and uranium mines,
- 4. Encourages all countries to disarm all nuclear weapons to the UN so that the UN can make nuclear power plants in secluded areas,
- 5. Recommends that 2 UN officials check nuclear active countries at random intervals for nuclear weapons, and if any evidence of them producing, nuclear weapons they will be fined 50% of the cost they paid to make a nuclear arm and have to disarm the nuclear weapon,
- 6. Reminds all countries that they can not set off nuclear weapons,
- 7. Requests countries to sign the NWFZ, the CTBT and the NPT,
- 8. Authorizes countries to decrease all nuclear stock piles by at least 10% annually,
- 9. Further reminds countries to properly dispose of nuclear waste by following all regulations,
- 10. Requests a 25% of the countries' economy to be fined if these rules are broken,
