Republic of France, United Kingdom of Great Britain and Northern Ireland

Topic: The Situation in the Democratic Republic of the Congo

The United Nations Security Council reminding all nations of the celebration of the 10th anniversary of the Montessori Model United Nations,

Reaffirming resolution 2277,

Deeply concerned about the loss of resources due to the seizure of resources by foreign entities,

Aware of the immense amount of deaths of DRC citizens,

Deeply disturbed by the fact that people in the DRC don't have food and water,

Deploing the corruption present in the government, Noting with deep concern the unstable economy in DRC,

Strongly condemns the lack of border control in order to prevent the infiltration of armed forces,

1. Authorizes the decentralization of the present government and creation of a federation;
2. Endorses a free and fair election moderated by the UNSC till a stable government is established;
3. Demands freedom from abuse as a war tactic;
4. Declares accordingly the illegalization of small arms that are already present and are being imported into DRC;

5. Designates other countries and the UN to raise awareness about the situation in DRC;
6. Requests:
 - i. The UNHCR to provide shelter to the people of DRC
 - ii. The FAO to provide them with a stable food supply
 - iii. The WFP to provide the DRC with their own food supply;
7. Proclaims the increase of border control in order to stop the continuous arrival of armed forces into DRC.
