

Resolution United Nations Security Council/I.I

United Nations Security Council

Co-sponsors: People's Republic of China, Republic of France A, Republic of France B, Federal Republic of Germany, Republic of Indonesia, Islamic Republic of Iran, Republic of Niger, Saint Vincent and the Grenadines, Republic of Tunisia, United States of America, and Socialist Republic of Viet Nam

Topic: The Situation in Libya

The Committee,

Alarmed by the escalating conflict in Libya,

Bearing in mind the economic state in Libya,

Noting with regret the people suffering in the country,

Desiring to create jobs and rehabilitate the economy,

Keeping in mind the conflict between both parties,

1. Authorizes negotiations that can appeal to both leaders to try and end the war peacefully by explaining the repercussions
 - a. Last resorts are trade barriers, economic sanctions, stop resources from coming in, security on ports;
2. Deplores all illegal selling of Libyan oil and further requests to create a new standard of Libyan oil to defend the integrity of Libyan oil;
3. Calls upon the people to decide on their government and encourage a democratic one;

4. Recommends the creation of a new governmental system, gathering information from the current governments and tribes with UN representatives;
5. Considers the economic degrade and further recommends partnerships with other UN organizations and local talent;
6. Draws attention to the ongoing migrant crisis in Libya
 - a. Recommend the establishment of new refugee camps;
7. Strongly condemns the sale of weapons to either side of the Libyan conflict:
 - a. 25% tariffs to some weapons sold on both sides of the Libyan war;
8. In order to stop high rates of unemployment due to the civil war, local agencies and groups should be supported by the UN.
