

Resolution GA/2/2.I

General Assembly Second Committee

Co-sponsors: USA, Denmark, Netherlands, Germany, Armenia, Poland, Serbia, Slovenia, Iran, Pakistan, Singapore, Malaysia, Nepal, Kyrgyzstan, Japan, Israel, Lebanon, India, China, Mongolia, Congo, Angola, Dominican Republic, Cuba, Chile, Argentina, Costa Rica, Chad, Burundi

Topic: Convention on biological diversity

Deeply concerned that the Earth has lost 52% of its biodiversity since the 1970's,

Deeply regretting that many animal species have become extinct because of hunger and loss of habitat and other reasons,

Emphasizing that SDG#15 (sustainable development goal) is focused on halting the destruction of biodiversity,

Having studied that a single tree that is forty years old can hold one ton of CO₂,

Concerned that biodiversity levels are dropping rapidly,

1. Encourages schools in countries to teach on how to save preserve biodiversity and schools to teach biodiversity as part of the curriculum;
