

Resolution GA/2/I.1

General Assembly Second Committee

Co-sponsors: Commonwealth of Australia, Republic of Austria, Commonwealth of the Bahamas, Kingdom of Bahrain, Kingdom of Belgium, Plurinational State of Bolivia, Canada, Republic of Cuba, Kingdom of Denmark, Arab Republic of Egypt, Republic of Finland, Republic of France, Republic Indonesia, Mongolia, Kingdom of Morocco, Islamic Republic of Pakistan, Republic of Singapore, Kingdom of Spain, Kingdom of Sweden, United Republic of Tanzania, Republic of Togo

Topic: Protection of global climate for present and future generations of humankind

The Committee,

Noting with deep concern the very serious issue of climate change,

Welcoming all feasible and appropriate ideas,

Noting with deep concern that member states can collaborate to solve this problem,

1. Supports research on climate change;
2. Calls upon countries to limit the amount of greenhouse gases produced;
3. Encourages countries to plant more trees and limit deforestation;
4. Supports the construction of more carbon dioxide removal plants;
5. Strongly condemns the use of disposable plastics;
6. Encourages people to reduce, reuse and recycle;
7. Further recommends schools to educate students about climate change;
8. Further requests countries to increase the amount of public transportation.
