

Draft Resolution SOCHUM /1/ 1.1

General Assembly Third Committee Social, Humanitarian and Cultural Council

Co-Sponsors: Islamic Republic of Afghanistan, Republic of Botswana, Kingdom of Cambodia, People's Republic of China, Commonwealth of Dominica, Republic of France, Gabonese Republic, Islamic Republic of Iran, Lao People's Democratic Republic, Republic of Palau, Russian Federation, Republic of Sierra Leone, Republic of Singapore, republic of Slovenia, Republic of the Sudan, Kingdom of Sweden, Republic of Tunisia, United Kingdom of Great Britain and Northern Ireland and Bolivarian Republic of Venezuela

Topic: Social development including questions relating to the world social situation and to youth, ageing, disabled persons and the family

The General Assembly Third Committee: Social, Humanitarian and Cultural Council,

Guided by the 1975 UNGA declaration on the rights of disabled communities, which encourages nations to have awareness about issues concerning those with disabilities,

Viewing with appreciation previous efforts such as the world program action concerning disabled persons of 1982,

Noting with satisfaction the UN convention on the Rights of People with Disabilities, which was signed by 175 nations, and ratified by 170 nations,

Fully alarmed by the obstacles and discrimination faced by people with disabilities.

1.1 Calls upon countries to promote inclusive activities such as adapted sports;

2.1 Emphasizes the need for equal education for all persons;

2.2 Encourages awareness and acceptance in education systems of all individuals regardless of their abilities;

2.3 Considers amending education systems to further include persons with disabilities by providing them with necessary facilities;

3.1 Encourages the creation and development of NGO's that create specialized programs for people with disabilities;

4.1 Recommends countries to implement accessible infrastructures such as sign posts, buildings, transportation, and other forms of facilities in public areas;

5.1 Emphasizes the need for legislation for the protection of the rights of the people with disabilities;

5.2 Calls upon countries to set up ministries which enforce and protect this legislation;

6.1 Notes that each country should have an active representation of persons with disability in governments;

7.1 Calls upon countries to help integrate persons with disabilities into the workforce, through forms such as education;

8.1 Encourages countries who are able to exchange medical resources that people with disabilities may need;

9.1 Calls upon member states to promote people with disabilities in public media (movies, TV, social media platforms, etc.) without any form of discrimination or a biased opinion;

10.1 Encourages the world's governments to strongly consider creating an international fund to raise money, resources, etc.
