#### **Topic: Fair trade policies to defeat inequality worldwide**

Deeply concerned about the unequal payment and the lack of education for women,

Fully alarmed by unfair wages, concerning laborers,

Taking note of the importance of education in promoting fair trade and further educate youth and farmers in developing and developed countries on fair trade,

Keeping in mind the effectiveness of raising awareness about fair trade through campaigning, and advertising,

Fully believing the support of developed countries is essential in promoting fair trade,

Recognizing RTA's for LEDC's and WTO's policies as an important role in achieving fair trade,

1. Calls upon countries to enforce fair trade policies for all genders;
2. Promotes equal pay;
3. Encourages nations to implement fair trade into their academic curriculum and political structures;

4. Supports all organizations that participate in fair trade;
5. Calls upon developed nations to support developing and undeveloped nations by lowering tariffs marked products;
6. Further invites organizations and programs that promote fair trade such as the WFTO to continue their work.
