

## USA Visa Application

Find out whether you will need an entry VISA for the USA.

All eligible international travelers who wish to travel to the United States under the Visa Waiver Program must [apply for authorization](#).

If you are in need of an entry visa, Youth for a Better World will also issue an official **Letter of Invitation** which will be attached to your visa application (online or in person). It confirms payment of registration fees and extends an official invitation to the paid registrant to attend and participate in the upcoming MMUN Onsite Conference/YIF Onsite Summit.

In order to qualify for a Letter of Invitation, you must meet both of the following criteria:

- ✓ Be registered as a delegate, parent, chaperone or visitor;
- ✓ Have paid the conference registration fee in full. Youth for a Better World will not, under any circumstances, provide a Letter of Invitation or visa application paperwork to any individual who does not meet the two criteria listed above.

If your request for a Letter of Invitation is successful, your Letter of Invitation will be sent to you by email as a PDF attachment.
