ACTIVITY SUBMISSIONS

WAVE YOUR FLAG

ONLINE

Submit a drawing of your country's flag for our virtual Celebration of Nations.

ONSITE

Bring a flag for two delegates to carry in the Opening Ceremony Flag Procession. Submit the names of your flag bearers in Step 3.

SONGWRITING WORKSHOP

ONLINE AND ONSITE

Work with performer and Emmy-nominated artist, Alexander Star, to write and record original songs based on the Sustainable Development Goal (SDG) conference theme. Through this creative process, students will have the opportunity to compose, record, and perform original music with other delegates.

To apply, students should write out five brief bullet points highlighting why the conference-specific SDG is important to them, and how they envision making a change:

- NYC February Conference 2022 – SDG 7 Affordable and Clean Energy
- NYC March Conference 2022 – SDG 9 Industry, Innovation and Infrastructure
- ONLINE Conference 2022 – SDG 14 Life Below Water

Please keep your bullet points profound, yet concise, and submit them to viviana@montessori-mun.org by the deadlines listed below:

- NYC February Conference December 10, 2021
- NYC March Conference January 15, 2022
- ONLINE Conference: March 15, 2022

You will be contacted by MMUN if one of your students is selected to participate.

SUBMIT YOUR QUESTIONS TO A REAL UN AMBASSADOR

ONLINE AND ONSITE

• Submit your students' questions for a Real UN Ambassador (maximum of two questions per student). A selection of the questions received will be sent to the ambassadors to be considered for addressing in their speeches.

MMUN-IN-A-MINUTE VIDEO PROJECT

ONLINE AND ONSITE

Record one minute of your MMUN preparation on video before attending an MMUN Conference. Have a teacher, family member or a fellow delegate record students and their friends working on their research or speeches, and then share the video with us! We will collect and merge the videos that we receive to create a final compilation showing the hard work of delegates throughout the school year. The video compilation will be shared on a dedicated conference web page.

COUNTRY DISPLAY

ONLINE

Electronic Country Display Boards are a great opportunity to showcase the culture, geography, and traditions of the country which your delegates represent.

Submit your students' electronic country displays (i.e. photos, powerpoints, jpegs, etc.).

DEADLINES FOR ALL SUBMISSIONS (Step 3) are as follows:

- NYC February Conference December 10, 2021
- NYC March Conference January 21, 2022
