General Assembly Third Committee

Co-sponsors: People's Republic of Bangladesh, Republic of Chile, People's Republic of China, Republic of Croatia, Republic of France, Republic of Indonesia, Hashemite Kingdom of Jordan, Republic of Liberia, Principality of Liechtenstein, Republic of Mali, New Zealand, Islamic Republic of Pakistan, Republic of Panama, Russian Federation, Republic of Rwanda

Topic: Elimination of Racism, Racial Discrimination, Xenophobia and Related Intolerance

Concerned by the aggression and discrimination towards marginalized groups in places like schools, workplace, and the general public, we agree that it should be fully recognized and prevented by the public,

Aware that prejudice and discrimination can have detrimental effects on mental and physical well-being,

Discriminated against Groups

1. Calls upon the community to spread awareness through things such as social media, protests, etc;
2. Introduces the idea of more world celebration of unique cultures and self expressions, that can be televised publicly;

Awareness

3. Further invites training of officials (funded by the UN) such as school administrations and police officers to recognize discrimination and prevent harm to marginalized groups;

Attacks

4. Encourages schools and workplaces to create electives and programs that students and adults can take to stop discrimination and learn about awareness;

The Spread of News

5. Suggests that there should be stricter limitations in media and that editors read and edit hurtful stereotypes in all reading materials.
