

# MMUN Conference Internship Program Benefits 2022-2023

## ONSITE MMUN ANGELS

Conference Interns, known as 'MMUN Angels' onsite, are the backbone of MMUN Conferences. As a non-profit organization working hard to keep costs low for our participants, we would not be able to run our conferences without a dedicated team of independent contractors at each venue who are willing to give their week-long time and effort with little compensation.

*We greatly appreciate our conference intern staff, and hope you'll join our team!*
