

Resolution GA/1/1.1

General Assembly First Committee

Co-sponsors: People's Democratic Republic of Algeria, Republic of Armenia, Republic of Austria, Republic of Belarus, Federative Republic of Brazil, Republic of Burundi, Union of the Comoros, Republic of Cuba, Republic of El Salvador, State of Eritrea, Federal Democratic Republic of Ethiopia, Republic of France, Federal Republic of Germany, Hellenic Republic, Lao People's Democratic Republic., Mongolia, Islamic Republic of Pakistan, Republic of Palau, Republic of Slovenia, Republic of South Sudan, Kingdom of Thailand, United Kingdom of Great Britain and Northern Ireland, Socialist Republic of Viet Nam, and Republic of Zambia

Topic: Youth, Disarmament and Non-Proliferation

Alarmed by the fact that multiple countries have been suffering from the consequences of nuclear weapons,

Bearing in mind the impact of gun violence,

Considering past events and impacts youth may have on our future,

Acknowledging that the problem of nuclear weapons is fixable, and that communities are able to make a change,

Education and Transparency in the context of International Security

1. Encourages schools to provide courses in disarmament and international security;
2. Calls upon NGO groups to actively spread awareness involving the danger of nuclear stockpiles;
3. Encourages the use of social media to spread awareness and amplify the education against global proliferation in the context of disarmament of nuclear weapons,

Weapon Security

4. Advises member states to raise the gun ownership age;

5. Strongly advises stricter weapon security in areas with a high youth population;

Funding and Treaties

6. Signifies the importance of peace treaties and non violent resolutions;

The use of technology in the context of ceasing proliferation

7. Encourages the use of major platforms to spread information to a greater extent by fundraising and donating;
8. Invites youth to communicate with each other in times of conflict resulting in civil events.
