Topic: Empowerment of Rural Women

Deeply concerned about the significant pay gap between men and women,

Noting with deep concern that rural women lack access to job training, land rights and financial resources,

Alarmed by the amount of rural women who are affected by food security,

Acknowledging that in some countries rural women do not have equal rights,

Noting the fact that rural women still do not have equal opportunities,

Believing an NGO will help support rural women in overcoming hunger,

Education and Business Training
