Topic: Empowerment of Rural Women

Deeply concerned by the lack of rural women and people's education and rights,

Aware of the fact that rural women have less rights than some other people, putting them in poverty which leads to little or no education,

Bearing in mind that not all rural women have access to fundamental needs, including healthcare,

Deeply disturbed that the rural women's voices are not being heard,

Educational Rights and Needs

1. Strongly encourages the construction of safer schools;
2. Reminds that all rural women have the right to learn;
3. Acknowledges the need for agricultural empowerment;

Rights and Protection

4. Expresses its hope for equal protection under the law and rights of all rural women and youth;
5. Further recommends for rural women to learn their rights and have proper education;
6. Further reminds that rural women do not have proper supplies for education;

7. Endorses proper healthcare for rural women;

Equality and Helping

8. Acknowledges that funding is needed to help build hospitals that accepts rural women;
9. Urges the importance that women should have rights to their own body;

Rural Women's Fundamental Needs

10. Expresses its hope that one day women will have the same privileges as men.
