### Topic: Engaging Boys and Young Men in Gender Equality

Alarmed by the lack of awareness and education for men about gender equality,

Fully aware that elimination of discrimination of women will take the help and support of men and use workshops to increase awareness,

Alarmed by the amount of gender equality in workplaces and at home,

Deeply concerned by the lack of women in leadership roles because they don't get enough education due to harm and traditional norms,

Acknowledging that some company leaders don't acknowledge gender pay equality because men and boys are used to thinking they are superior,

Having considered that women with low paying jobs do not get enough support,

### Raising Awareness about Gender Equality

1. Calls upon social media influencers, schools, colleges to start programs and lessons, put up advertisements such as posters and write books to provide information on gender equality;

### Pay Gap/Jobs

2. Calls upon companies to promote equal opportunities and salaries;
3. Advise the UN and other organizations to create programs and conferences to teach company leaders about reducing gender based pay gaps;
4. Support women with unpaid jobs and give them a better education;

### **Gender Equality in Education**

5. Introducing a program for adults about gender equality;
6. Confirming that girls and boys get the same education;
7. Consider teaching gender equality in schools from a young age;
